March Madness! If you don't know what that means, it's the reason your soap operas weren't on Thursday and Friday. It's the NCAA basketball tournament which decides this year's national champs. So for the next few weeks you will have a lot of basketball to either watch or avoid watching!

One thing similar to the tournament and life is that it is as they say “one and done.” Once you lose a game, you are done. And clearly, life is the same. The Hebrew writer said it is appointed unto man once to die. which obviously ... Continued

Means that it is appointed for us once to live!

A difference in the tournament and life is that only one winner will be crowned in the basketball tournament while in life all who obey Christ and live faithfully to His ways will receive a crown of life. (Rev. 2:10) As Paul said upon finishing his course, keeping his faith, and fighting the good fight; “henceforth there is laid up for me a crown of righteousness, and not for me only, but to all those who love His appearing” (II Timothy 4:7-8).

So what will you do with your one life, It will go by quickly and eternity is sure to follow. All of us will be “one and done”, the question is where we go afterwards.

Bro. Jimmy

Genesis 45:1-8

Sometimes things happen to us that we don’t really understand why it happened. We have to understand whether good or bad that God has a plan for us (Jeremiah 29:11). Joseph realized that the bad things that happened to him in his life were because God sent him down that path! God has you on a path this morning! You may not understand why something happens to you, but know that God understands! He will guide you, so buckle up and enjoy the ride!
