JUST FROM JIMMY

I have seen bears in Gatlinburg before, and I saw some bears this trip as well. But this time I saw what I assume was a mama bear and four cubs and witnessed mama standing up and giving her back a good scratch! I mean she stood there on her back legs and scratched for several minutes. So, I saw something I had seen before in a way I had not seen before. You know, the Bible is somewhat the same. Every time you open God's word and read its wisdom, you will often see it in a new light. It's not that truth itself changes (it doesn't) but different circumstances provide a new angle or a new perspective that had not been seen before. I guess I had never seen a bear before when they had a "back itch"! That's why it's very important to read and study God's word on a regular basis, because life changes as we grow older and face different scenarios. God's word is helpful in all of life's moments, but we have to be ingesting it daily for that to happen. "Study to shew thyself approved unto God" (II Tim. 2:15).

God is great
Go with God.
Love, Bro. Jimmy

2 Corinthians 9:6-9

6 But this *I say:* He who sows sparingly will also reap sparingly, and he who sows bountifully will
also reap bountifully. 7 *So let* each one *give* as he purposes in his heart, not grudgingly or of
necessity; for God loves a cheerful giver. 8 And God *is* able to make all grace abound toward
you, that you, always having all sufficiency in all *things,* may have an abundance for every good
work. 9 As it is written:

"He has dispersed abroad,
He has given to the poor;
His righteousness endures forever."
